

# eXpedite<sup>SM</sup>

**Paperless Solutions Group (PSG)** is breaking down the myths of ePolicy delivery with eXpedite<sup>SM</sup>, an ultra-flexible and easy to implement multi-carrier solution the industry has been waiting for.

eXpedite<sup>SM</sup> offers a truly unique experience for carriers, distributors, agents/advisors, and consumers.

**Easy to Implement** - No rigid structure to follow, minimal IT resources required, and we do the heavy lifting to get you up and running in as little as 8 weeks.

**Flexible Workflows** - According to the LBTC\* having more flexible workflows is in the top 3 asks of carriers when it comes to ePolicy by their distributors. eXpedite<sup>SM</sup> supports unlimited workflows and can be managed at any level of the hierarchy.

**All Products & Channels** - No need to buy separate solutions or pay for extra licenses to support your entire business. eXpedite<sup>SM</sup> offers a single solution with the flexibility to manage these uniquely.

**Enhanced Selling Abilities** - eXpedite<sup>SM</sup> easily supports "up-sell", "cross-selling" and "other than applied for" options, helping ensure the policy is completed more often - bringing up placement ratios and revenue.

Since 1999 PSG has been a leader in providing the insurance industry with digital solutions that support all aspects of customer acquisition: from quote, e-App, underwriting, and eDelivery.

With eXpedite<sup>SM</sup> Carriers Can:

**Increase placement ratios by 6-8 %**

**Reduce delivery time from 28 days to under 24 hours**

**Cut delivery costs by more than 75%**

“ We LOVE eXpedite<sup>SM</sup>! We got our first ePolicy out the door in less than 8 weeks, and our adoption is through the roof! We now start all of our life policies and annuity contracts through eXpedite<sup>SM</sup>. ”
